

At the Beach

It is Saturday. The weather is sunny and cool. I go to the beach with Hayden. I go to the beach by Tesla. I feel excited and great.

I have some bananas and ice-cream. Hayden has an apple and a watermelon. We have lots of fruit.

It is lunchtime. We are hungry. We eat some ice-cream and bananas. The fruit is yummy and delicious.

Later, I dig in the sand with Hayden and look at the beautiful shells. Hayden swims in the sea.

I feel tired but happy. Hayden is tired too. It is a nice day.
