A Naughty Boy

It is Sunday. It is almost noon. Danny is still sleeping in bed. Danny's mum wants to wake Danny up. But his mum sees his room is very untidy. There are some clothes on his bed and there is a lot of rubbish on the floor. Mum is very angry. Her face turns red. She is crossing her arms. Mum yells, 'Danny! Wake up and tidy your room!'

Then, Danny goes to play computer games. So his mum shouts, 'You are very lazy!' Danny does not do any housework or tidy his room. So his mum turns off the computer. Then Mum walks into the kitchen.

Next, Danny hears his mum crying in the kitchen. He feels sorry. So he says, 'I'm very sorry, Mum. I'll never do that again!' And Mum says, 'It's okay, promise me!' So Danny says, 'Okay, promise! I'll go do some housework!' Mum says, 'Okay, thank you, Danny!'

Finally, Danny goes to his room to tidy it. It is now very clean. Then, Danny does his homework. Lastly, Danny sweeps the floor. The house is now very clean. Danny is very proud of himself. After Mum sees the house, she says, 'Wow! the house is very clean. Thank you so much, Danny!' Then Danny says, 'No problem, Mum, just as long as you're happy!' And Mum says, 'Okay, Danny.' Mum is very happy. She has a big smile on her face.
