

Go Shopping

Today is Sunday. It is sunny and cool. Betty and her mum go to Lucky Shopping Centre. They want to buy a gift for Betty's cousin.

When they arrive at Lucky Shopping Centre, they look at the directory. Betty asks, 'Where do you want to go?' Mum says, 'I want to go to the first floor because I want to buy some clothes.' Then they go to the first floor.

They are outside the clothes shop and the toy shop now. Mum looks at some beautiful dresses. Betty sees a lovely teddy bear. She goes into the toy shop without telling her mum.

When Mum turns around and looks for Betty, she can't see Betty. Mum is so worried. She tells the staff to help her find Betty.

In the end, the staff finds Betty in a toy shop. Mum says, 'Thank you so much.' Betty says, 'I'm sorry, Mum. I will follow you, and I will never stray far from your side.' At last, they go back home happily.
